[Ham Radio Made Simple](#)

An FRN number is required to take a Ham Radio License test.

Register with FCC to get a FRN FCC Registration Number. <https://apps.fcc.gov/cores/publicHome.do>

Find a license testing location. <https://hamstudy.org/sessions>

[Prepare for your ham radio test for free with stats-driven flash cards, question lists, explanations, and practice tests.](#)

hamstudy.org

I used this training study guide - for Android - may be on Apple –
<https://play.google.com/store/apps/details?id=com.delasystems.hamradioexamtech>

[HamRadioExam – Technician - Apps on Google Play](#)

[This app will help you pass the exam for a Technician Class FCC License.](#)

play.google.com

You may wish to explore different radio licenses.

FRS - Family Radio Service - No license required - minimal power walkie talkie

GMRS - General Mobile Radio Service - No test - License covers the entire family

Ham Radio License – 3 levels -

Technician – UHF/VHF -

General HF/UHF/VHF – not all frequencies -

Extra Class – All HF privileges
