

Montgomery County Amateur Radio Group Net Script

This is (your Call); we will begin the Montgomery County Amateur Radio Group net in 5 minutes. We would appreciate a clear frequency for the net. Thank you.

Calling all radio amateurs, calling all radio amateurs, this is (Your Call) and we will now begin the Montgomery County Amateur radio group net.

This net meets every Monday evening at 8:00 pm here on the 147.14 repeater.

Thanks to all of the volunteers and check-ins that make this net possible. Tonight we are transmitting from **(Your Location)**. This is an open net and you do not have to be a member of any group or organization to participate in this net.

Any and all licensed radio amateurs are invited to participate. This net is conducted for the purpose of keeping you (Ham Radio Operators) and the public informed of any Amateur Radio news, and activities being conducted in the local area and abroad.

When checking in, please give your call sign slowly using ITU phonetics. When recognized by net control, please give your name and let net control know at that time if you have any traffic to pass.

If you have anything that you are looking to buy, sell or trade, feel free to pass the information on this net. But **please** keep it to Amateur Radio or other items of similar interests.

Before beginning the net, do we have anyone that would like to volunteer to be backup net control?

We will now begin with check-ins. If you are a Mobile, Low Power, or Emergency Power station please check-in now?

This is **(your call)** with Montgomery County Amateur radio group net. We will now take any General check-ins from stations

This is **(Your Call)** with the Montgomery County Amateur Radio Net, do we have any other check-ins, anyone, anywhere please check-in now?

This is **(Your Call)**, do we have any further business for the net tonight?

With nothing else heard, I would like to again thank N5KWN, and all of the users of this repeater for letting us conduct this net on their repeater. Please remember this net meets every Monday evening at 8:00 PM. We will now turn the repeater back over to regular amateur radio use. 73's all and good night
